## *Thank you from the Run-4-Jared Coordinator (2011)*

Welcome to the Seventh Annual Run-4-Jared Campaign. The Jared Box Project thanks you for your help in supporting the project. Because of people like you, the project can make a difference! Running for the project does not require any special skill sets or any type of prerequisite, as do so many things in life! The teams enjoy the Central Pennsylvania Mountains on a beautiful fall day and are united for one day with the common goal to promote the awareness of the project. Our hope is that the spirit of “Run-4-Jared” stays with you for the entire year!

As a Run-4-Jared Team member:

- Custom Run-4-Jared running shirt with your team name on front!
- Gift card to fuel your team with food and drinks for race day
- Gift card to fuel your support vehicle on race day.
- A runner packet with Run-4-Jared race gear and accessories!

Pledge cards are included in this packet, so feel free to go out and “do a good thing” and get some pledges!!!! Pledge cards and contributions will be due one week after the race. You can give them to your team captain on race day if you prefer. Please remember this is a no-pressure campaign, so there is no minimum pledge amount to be on a Run-4-Jared team, our first goal is to promote awareness of the Jared Box Project!, All we ask is that you wear an official run-4-jared t-shirt during the race.

As Run-4- Jared Coordinator I am here to help. No question is too big or too small. I’m looking forward to a wonderful race this year, thanks for supporting the project!!
